## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with James N. Kallis (Reg. No. 41,102) on 10/26/04.
3. The application has been amended as follows:  
Claims 1-2 and 4-10 have been cancelled.

### ***Allowable Subject Matter***

4. Claims 3 and 12-17 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding independent claim 3, the claim has been amended to include the allowable subject matters, "wherein said remote two-way communication link established between said first and second communication units extends from said first communication unit to said long distance wireless communication network to said unit for long-distance wireless communication to said second communication unit such that information is transferable from said first communication unit to said second communication unit via the remote two-way communication link and such that information is transferable from said second communication unit to said first communication unit via the remote two-way communication link" and "wherein said second

communication unit is connectable with said unit for long distance communication using a short-distance wireless communication link", which overcome the prior art.

Claims 12-17 depend on claim 3. Therefore, they are allowed

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
